

Webinar on Data-Driven Governance

9 - 12 Nov 2021; 10am – 1pm Bangkok time, UTC+7; via Zoom platform

Background

The Asian and Pacific Training Centre for ICT for Development, a regional institute of the Economic and Social Commission for Asia and the Pacific (ESCAP), in partnership with the National Information Society Agency (NIA) of the Republic of Korea is organizing a Webinar on Data-Driven Governance from 9 to 12 November 2021.

The event aims to deepen participants' knowledge and understanding on the role of data in public sector strategy and public service delivery. It will highlight the role of data and data analytics in supporting evidence-based policy-making and in implementing and monitoring progress towards achieving the Sustainable Development Goals. Good practices and lessons learned from the Republic of Korea and other selected countries will also be featured at the meeting.

Participants

The webinar is targeted towards managers and mid-level professionals from central and local governments across the Asia-Pacific region, as well as government officials responsible for the development and implementation of digital initiatives (30 participants).

Date/Venue

The event will be held virtually from 9 to 12 November 2021 (10:00am – 1:00pm Bangkok time, UTC+7), via Zoom platform. The event will be conducted in English.
