INFORMATION AND COMMUNICATIONS PUBLIC MANAGEMENT SCHOOL

Vietnam

ABOUT US

The Information and Communications Public Management School (ICS) was established on October 6, 2008 by the Minister of Information and Communications.

ICS is in charge of:

- ICT Training.
- Fostering staff participation in ICT management and operations.
- Disseminating legal knowledge in the field of ICT.

- Researching and applying policies.
- Technical progress.
- The management of science of the Ministry of Information and Communications (MIC) activities.

WHAT WE DO

Academy-related Activities

- **Training:** Training carried out in Dec. of 2012 on Modules 1, 2 & 3 for 320 staff with the collaboration of the Hanoi Department of Information and Communications.

- Introduction of the Academy programme in most of ICS' courses, including courses for officers, training for senior officers and training on State management.

- Introduction of the Academy programme to 63 Departments of Information and Communications in Vietnam via email and post.

2013

INFORMATION AND COMMUNICATIONS PUBLIC MANAGEMENT SCHOOL

Vietnam

IMPACT

■ Increased awareness of the powerful impact of Information and Communications Technology (ICT) in developing fields.

PARTNERS

■ National Institute of Information and Communications Strategy.
■ Departments of Information and Communications in the provinces.
■ Viet Nam Posts and Telecommunications Group.
■ Network Technology Training Center of the Hanoi National University.

LESSONS LEARNED

Learners are managers and leaders that possess practical experience but want to learn more through case-studies consistent with the reality in Vietnam.

FUTURE PLANS

■ **Courses:**
ICS will submit to the Minister of MIC a proposal to offer an online lecture on our website that includes Module 7.

■ **Training**
- Academy Modules to be used: Modules 3 & 7
- Date and Venue: Mar. 2014 and Sep. 2014 in Hanoi, Vietnam
- Target beneficiaries: Management of Division; Management of Units in MIC
- Expected support from APCICT and partners: APCICT can offer support by translating modules 9,10 & 11 into Vietnamese
